

## **Stay-and-Play Packages, 2023**

White Lake Country Club and White Lake Beach Resort are again collaborating to make your Spring and Fall Stay and Play packages more convenient and affordable!

Simply book a golf package through White Lake Beach Resort during our Spring or Fall seasons (April 14<sup>th</sup> –May 19<sup>th</sup> or October 1<sup>st</sup> -October 31<sup>st</sup>), let us know how many people, what type of lodging you are looking for, and make your tee tie!

Accommodations: Rates are based on the size and amenities of the unit, number of people per unit, and time of week. All golf packages include lodging (with bed linens, and towels (not normally provided in cabins or vacation homes) and 18 holes of golf with cart per day. Non-golfers incur an additional lodging fee per night. Packages require a 2 night minimum stay for cabins and vacation homes.

See the chart on the reverse for package costs. Cancellations are subject to White Lake Beach Resort's normal cancellation policy.

Details—when you book your package with White Lake Beach Resort, we will ask you to know what kind of accommodations you would like, number of golfers & non-golfers per unit and how many rounds of weekday/weekend golf you would like. You will need to provide \$200 deposit for each cabin, apartment, or hotel room rented. The balance for *both* golf and lodging will be due *at check in* to the resort. You will receive your golf tickets when you check in. We highly recommend scheduling your tee time with the golf course in advance. Tee times can be made by calling the golf course directly at 608-297-2255.

**White Lake Country Club is now affiliated with Twin Oaks North in Wautoma, WI and Saddle Ridge in Portage, WI! If your group would like to explore the area, and wish to include golf at these locations in your package, please call to discuss pricing and options!**

For more information, or to book a package, contact:

White Lake Beach Resort

N4785 19<sup>th</sup> Ave

Montello, Wi 53949

608-297-2278

*A note to golfers – White Lake Country Club would like us to remind you that golf carts are NOT allowed across the street i.e. you cannot take your cart back and forth to your cabin. It's an insurance issue for the course – anyone violating this rule will not be allowed to golf. Also please remember that there are no carry in coolers or beverages allowed. Thank You.*
